MIDNIGHT COLLECTION

ABOUT MIDNIGHT

The Midnight Collection is more than just a new offering — it's a bold statement of confidence, luxury, and contemporary sophistication. Each piece in this striking lineup, finished in a deep, commanding black, has been thoughtfully designed to make an impact. It's a collection for homes that dare to be distinctive. For customers who seek more than mere functionality — they desire identity, presence, and refined beauty in their living spaces.

The Midnight Collection brings together some of our most trusted, best-loved models with a selection of exciting new additions. The result is a seamless harmony of familiarity and freshness — where timeless reliability meets modern style and forward-thinking design. This ensures your customers find comfort in what they know and delight in what's new.

 **THERMOFAN+™**
TECHNOLOGY

Cook more evenly, every time — on multiple levels. ThermoFan+ technology uses an advanced fan system to circulate hot air consistently throughout the oven cavity, ensuring uniform cooking across every shelf. This allows you to cook multiple dishes simultaneously without aroma transfer or uneven results. By maintaining a stable temperature and eliminating hot spots, it delivers perfectly baked, roasted, and browned dishes every time — faster, more efficiently, and with beautifully even results on every level.

 **AIRFIRE**

Enjoy all the crunch without the compromise. Thanks to powerful, evenly distributed hot air and our specially designed AirFry tray, this oven delivers golden, crispy results using little to no oil.

The optimized airflow circulates heat evenly around every surface, locking in flavour while creating that irresistible crunch on the outside. From perfectly crisp chips to crunchy chicken and roasted vegetables, you get the deep-fried texture you love with a lighter, healthier touch all from the convenience and versatility of your oven.

 **PRECISEFLAME**

Take control of every dish with PreciseFlame technology. Designed for accurate flame adjustment, it gives you refined control over heat intensity for perfectly consistent results.

Whether you're gently simmering a delicate sauce or turning up the heat for high-powered searing, PreciseFlame ensures steady, reliable performance, so every meal is cooked exactly the way you intend.

 **CONVECTION**

The convection feature turns the microwave into an oven, making it an all-in-one kitchen companion for creating meals with evenly browned finishes, perfect for roasting meats, baking pastries or crisping snacks

The fan distributes hot air throughout the cavity and around the dish, eliminating cold spots and ensuring uniform baking and cooking, enhancing the succulence and flavour of every meal.

DBO499

60cm Slimline Eye-Level Oven ThermoFan+ & AirFire Black

Features

- Oven Type: Eye-Level Thermofan+
- Air Fryer Functionality
- Energy Rating: A+
- Usable Volume: 72L
- Full Touch Control With Timer
- Full Catalytic Cleaning
- Telescopic Rail
- Brushed Aluminium Handle
- Removable Inner Glass
- 1 x Standard Tray & Deep Tray
- 1 x AirFry Tray
- 1 x Wire Rack

Packed Dimensions (H x W x D): 655 x 660 x 660 mm

Unpacked Dimensions (H x W x D): 595 x 594 x 567 mm

DHG606

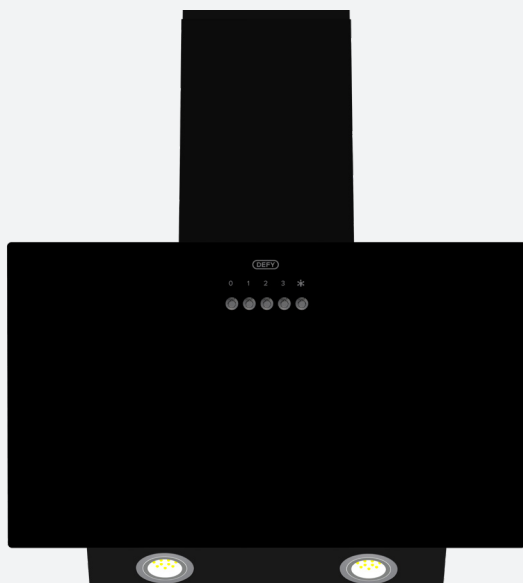

65cm Hybrid Hob 2 Gas Burner 2 Ceramic Plates

Features

- 2 Vitroceramic Plates And 2 Gas Burners
- 1 X 1200W Vitroceramic Plate
- 1 X 1700W Vitroceramic Plate
- 1 X 2kW Gas Burner
- 1 X 2.9kW Gas Burner
- Electric Ignition
- Flame Failure Safety Device
- Single Cast Iron Pan Supports
- Knob Controls
- Precise Flame - 9 Heating Levels
- Hot Surface Indicator Light
- Plug & Play
- SmartFit

Packed Dimensions (H x W x D): 600 x 695 x 155 mm

Unpacked Dimensions (H x W x D): 520 x 646 x 99 mm

DCH600B

60cm Inclined Hood Black Glass

Features

- Push Button Control
- 2 x 1.5W LED Lights
- 1 Dishwasher Safe Grease Filter
- 2 Charcoal Filters
- Ventilation Capacity: 162 – 284 m3/h
- Noise Level: 47 – 59 dBA

Packed Dimensions (H x W x D): 710 x 520 x 435 mm

Unpacked Dimensions (H x W x D): 596 x 635 x 315 mm

DGS90GEB

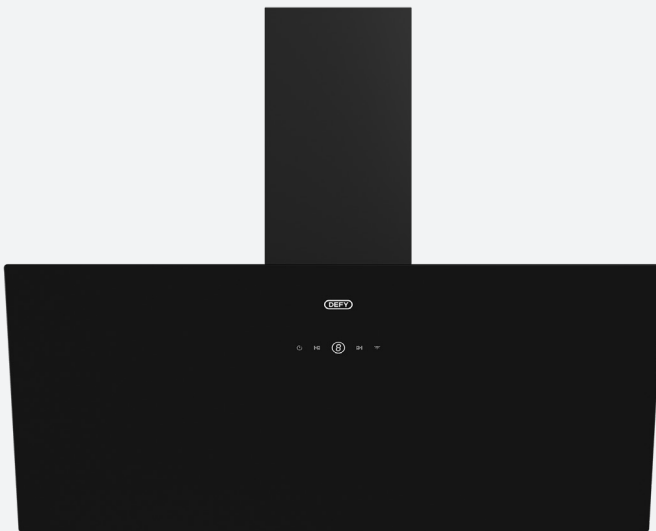

90cm Gas Electric ThermoFan+ Range Cooker

Features

- Energy Rating: A
- Usable Volume: 111L
- Hob: 5 Gas Burners
- 1 Wok Burner (4kW)
- Integrated Ignition
- Oven Type: Electric
- Multifunctional Cooking + 8 Functions
- Flame Failure Safety Device
- Mechanical Ringer Timer
- Cast Iron Pan Supports
- Splashback
- Removable Inner Glass
- 2x Wire Rack
- 1x Standard Tray

Packed Dimensions (H x W x D): 870 x 960 x 700 mm

Unpacked Dimensions (H x W x D): 900 x 900 x 600 mm

DCH900B

90cm Inclined Hood Black Glass

Features

- Electronic Touch Control
- 2 x 1.5 W LED Lights
- 2 Charcoal Filters
- 1 Dishwasher Safe Grease Filter
- Ventilation Capacity: 409 – 663 m3/h
- Noise Level: 49 – 56 dBA

Packed Dimensions (H x W x D): 440 x 915 x 415 mm

Unpacked Dimensions (H x W x D): 373 x 895 x 383 mm

DMO 243

43L Digital Convection Microwave

Features

- Capacity: 43L
- Convection Microwave
- Microwave: 1500w
- Grill: 2200 W
- Convection: 2200 W
- Door Type: Handle
- Control Type: Sensor Touch
- Child Lock Function
- Microwave Power Level: 11
- Clock & Timer Function
- Max Timer Length: 95min
- Express Cook Function
- Multistage Cooking : 3
- Convection Fan Motor: 220 – 240~ V
- Accessories: Glass Tray & Baking Tray

Packed Dimensions (H x W x D): 628 x 626 x 385 mm

Unpacked Dimensions (H x W x D): 553 x 582 x 311 mm

DEFY

COOL HAS NEVER LOOKED THIS BOLD

Water Dispenser

FROSTFREE TECHNOLOGY

The struggle of refrigeration ownership has been eliminated by Defy's Frost Free technology. Without the accumulation of ice inside the freezer, the fridge freezer combination will work more effectively, cutting down electricity costs and enhancing produce freshness.

WATER DISPENSER

Experience the ultimate convenience of pure, clean water without compromising on taste. Defy's sleek, compact Water Dispenser fits perfectly into any space, delivering refreshing cold water at the touch of a button.

ENERGY EFFICIENCY

Appliances with high energy efficiency ratings, such as those rated A or above, consume significantly less power than lower-rated models. This not only helps reduce your electricity costs over time but also supports a more sustainable and environmentally friendly lifestyle.

Energy ratings are determined based on several factors, including the appliance's size, the technology it uses, and any additional features that may influence power consumption. Choosing energy-efficient models is a smart investment in both your home and the planet.

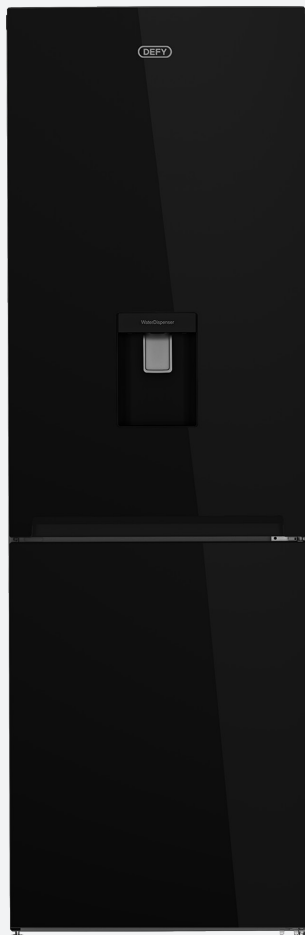

DFF456

91cm Side by Side

Features

- A+ Energy Rating
- Net Volume: 496L
- Fridge Net Volume: 331L
- Freezer Net Volume: 165L
- Frost Free
- Antibacterial Door Seal
- 4-Star Freezer
- LED Interior Lighting
- Full Flush Door Handle
- Ice Cube Tray
- Door Open Alarm
- Mirror Black Glass

Packed Dimensions (H x W x D): 1845 x 968 x 680 mm
Unpacked Dimensions (H x W x D): 1780 x 911 x 636 mm

DAC652

60cm Fridge / Freezer

Features

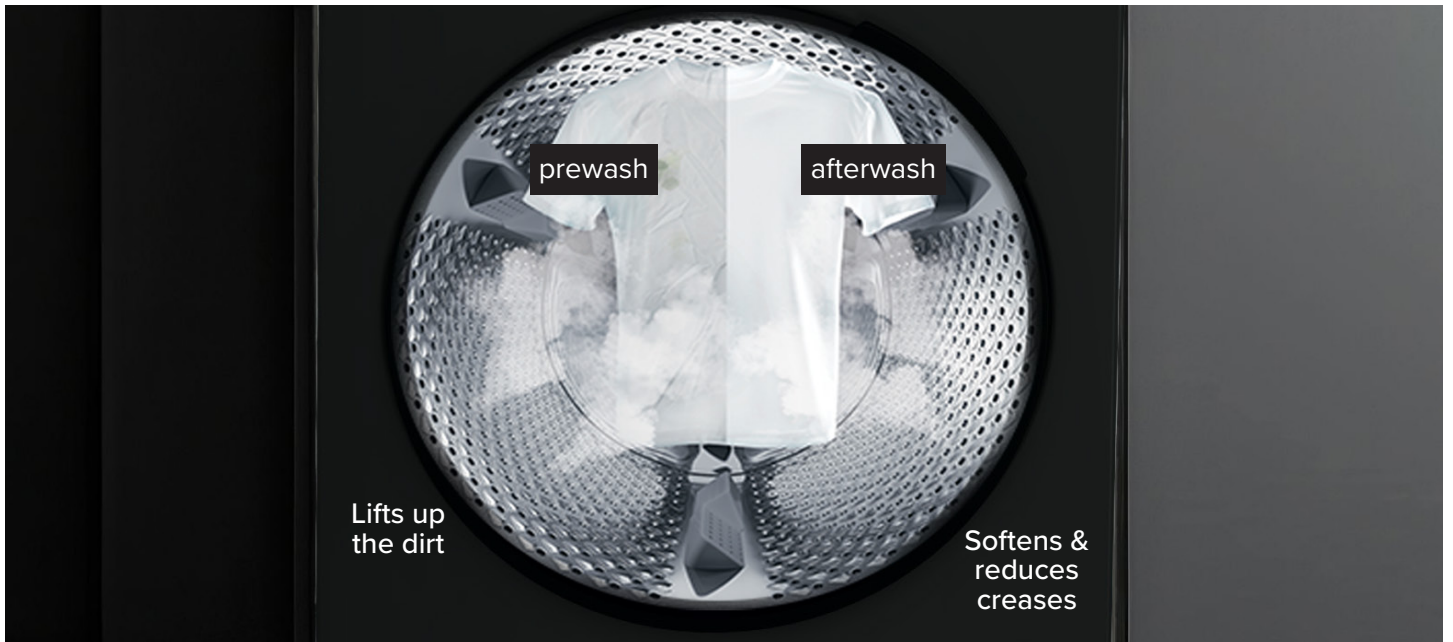

- A+ Energy Rating
- Net Volume: 348L
- Fridge Net Volume: 233L
- Freezer Net Volume: 115L
- Static
- Slimline Water Dispenser
- Antibacterial Door Seal
- 4-Star Freezer
- LED Interior Lighting
- Side Integrated Handle
- Reversible Doors
- Mirror Black Glass

Packed Dimensions (H x W x D): 1890 x 640 x 730 mm
Unpacked Dimensions (H x W x D): 1850 x 600 x 650 mm

THE ART OF CLEAN

IN MIDNIGHT BLACK

STEAMCURE™ **TECHNOLOGY**

Effortlessly keeps your clothes in tip-top shape. This technology ensures a better cleaning and washing performance with additional benefits, by using steam that rises from the bottom of the drum. When steam is distributed into the drum at the beginning of the Program, it softens up dirt, making it easier to remove. When using it at the end of the Program, it makes laundry softer and reduces creasing on your clothes, delivering ideal results.

PRO SMART INVERTER MOTOR

Defy has cleverly created technology that caters for multi-demands. Defy ProSmart™ Inverter Motor technology offers energy efficiency for your washing machine up to A+++ (-10%)*, keeping your electricity bills down. It also keeps noise down too thanks to a variable, (frictionless) motor speed that helps you to set the drum rotation to suit your clothes.

Adjusted drum rotation lets the clothes move more easily and quietly in the drum, so your washing won't disturb anyone. Defy's ProSmart Inverter Motor washing machines have a 10 year motor warranty.

ENERGY EFFICIENCY

Defy dishwashers and washing machines are designed to care for your home while being kinder to your electricity bill. Each wash cycle and load is intelligently optimized to use energy more efficiently without compromising on cleaning performance.

From tackling tough stains to delivering brilliantly clean dishes, our appliances work quietly in the background to help reduce monthly utility costs and lessen environmental impact.

Because caring for your home should also mean caring for what powers it. Powerful cleaning. Smarter energy use. Everyday peace of mind.

DAW408B

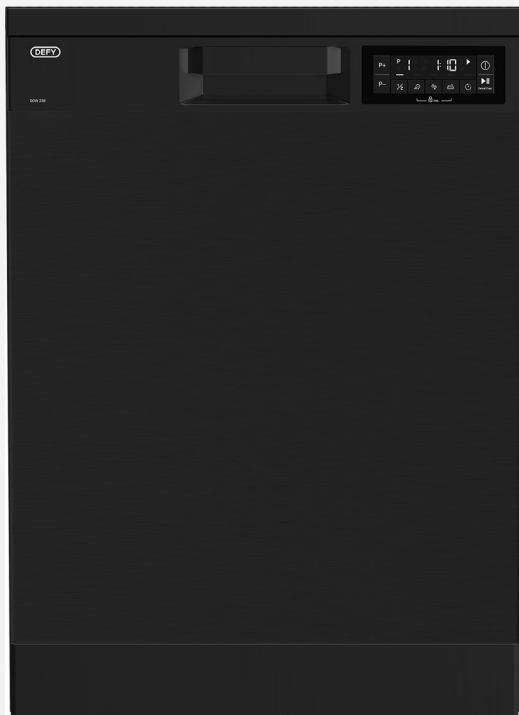

8KG Front Loader Washing Machine

Features

- Energy Rating: A+++ (-10%)
- Capacity: 8kg
- SteamCure Technology
- ProSmart Inverter Motor (10-years warranty)
- White LED Digital Display
- Variable speed up to 1200rpm
- 15 Programs
- Stainless Steel Drum
- 62dB Noise Level
- AquaWave Drum Pattern
- Drum Clean
- Time Delay 0-24h
- Child Lock
- Quick 15' Program
- Hygiene+
- Add Garment
- Anti Vibration Box in Box Wall
- Large XL Premium Door

Packed Dimensions (H x W x D): 890 x 670 x 573 mm

Unpacked Dimensions (H x W x D): 847 x 600 x 520 mm

DDW258

15 Place Setting Dishwasher

Features

- Energy Rating: A++
- 15 Place Setting
- White LED Digital Display
- Sliding Cutlery Basket
- Robust Spray Arm
- 8 Programs
- Stainless Steel Tub
- 47dB Noise Level
- 11.4L Water Consumption
- Overflow Safety
- Time Delay 0-24h
- Half Load
- Fast+ Function
- Quick & Dry

Packed Dimensions (H x W x D): 889 x 644 x 661 mm

Unpacked Dimensions (H x W x D): 850 x 598 x 600 mm
